## Press Release

### Presidio Establishes a New Specialty Underwriting Unit

London, UK, September 22, 2011- Presidio Reinsurance Management, Ltd. ("Presidio"), a leading International Accident and Health Underwriter, has established a new Specialty Accident and Health Underwriting Unit in its London office. The unit will initially be led by Craig Tyrell, Presidio's Managing Director and will focus on the growing number of requests to develop solutions for unique accident and health opportunities throughout the world.

Craig Tyrell stated "As Presidio continues to grow its medical and accident programs in developed and emerging territories, we are seeing an increasing number of unique opportunities being presented for underwriting. These risks often require more time to assess the market, understand the specific needs of the client and develop creative solutions. Establishing a Specialty Unit allows us to leverage our team's experience and expertise to create effective programs to meet the unique needs of our clients and brokers and will continue to differentiate Presidio in the accident and health market."

In addition, Presidio Reinsurance Management, Ltd. is pleased to announce the appointment of Paul Towers as its Chief Operating Officer. Paul has been a director of the company since its formation, is a Chartered Accountant, and has more than 25 years experience in the (re)insurance industry with extensive experience in the field of risk financing and the management of captive based programs. Mr. Tyrell commented "We are delighted that Paul has agreed to increase his commitment to Presidio. His knowledge and experience will be invaluable as our business grows".

Please contact Presidio Reinsurance Management, Ltd. for all of your international health and accidents risks, including those unique opportunities.
